Meeting Highlights October 12th, 2010 – 29 members in attendance. Next meeting Nov. 9th

At this meeting someone mistakenly took Jim Faller's dark blue fleece jacket from the front door closet with a logo on the left side "Bobby Faller Memorial Golf Tournament". It has special meaning to Jim. Please call him at 892-7699 if you have it. Yours is still hanging in the closet.

Walldog Project: Jerry Thompson offered an alternative design for a mural on the North wall of the clubhouse. The mural would be framed, and attached to the building. This design would not damage any sealant on the building; making the mural removable in case of damage, fading or any other reason that the mural is no longer wanted. There would be no cost to the Post for installation or for the painting of the mural. Members present voted with a show of hands and the project was unanimously approved, with a committee to report on an approved subject matter for the mural.
